Thursday, April 13, 2023 at 6pm in the Library

Pardee Elementary- 4650 Pardee, Dearborn Heights, MI 48125

Wednesday, April 12, 2023 at 6pm in the Library

We are very proud of the excellent Kindergarten program that we offer in District 7. Our well-rounded program will prepare your child with the foundation on which to build a solid education.

We look forward to introducing you to our program. You will also have the opportunity to meet your child’s teacher, principal and other school personnel. This meeting is for parents and students. Our new students will be with our kindergarten teachers. A detailed explanation of enrollment requirements will be given at this meeting so that your child’s school year can begin smoothly.

D7 Resident Kindergarten Parents: Residents must visit our website at www.district7.net to pre-enroll your child. All enrollment information is available on our website

School of Choice Kindergarten Parents: School of Choice parents must visit our website at www.district7.net to fill out a School of Choice application. Applications will be accepted in the Spring, more information to follow at a later date.

Please contact the D7 Board of Education if you have any questions, 313-203-1000
